### 13.003 Policy.

(a) Agencies shall use simplified acquisition procedures to the maximum extent practicable for all purchases of supplies or services not exceeding the simplified acquisition threshold (including purchases at or below the micro-purchase threshold). This policy does not apply if an agency can meet its requirement using—

(1) Required sources of supply under part 8 (e.g., Federal Prison Industries, Committee for Purchase from People Who are Blind or Severely Disabled, and Federal Supply Schedule contracts);

(2) Existing indefinite delivery/indefinite quantity contracts; or

(3) Other established contracts.

(b)(1) Each acquisition of supplies or services that has an anticipated dollar

The contracting officer's decision not to set aside an acquisition for HUBZone small business or service-disabled veteran-owned small business concerns participation below the simplified acquisition threshold is not subject to review under Subpart 19.4.

(3) Each written solicitation under a set-aside shall contain the appropriate provisions prescribed by part 19. If the solicitation is oral, however, information substantially identical to that in the provision shall be given to potential quoters.

(c)(1) The contracting officer shall not use simplified acquisition procedures to acquire supplies and services if the anticipated award will exceed—

(i) The simplified acquisition threshold; or

(ii) \$5.5 million (\$11 million for acquisitions as described in 13.500(e)), including options, for acquisitions of commercial items using Subpart 13.5.

(2) Do not break down requirements aggregating more than the simplified acquisition threshold (or for commercial items, the threshold in Subpart 13.5) or the micro-purchase threshold into several purchases that are less than the applicable threshold merely to—
